

BLM – Who'll Keep the Lights On?: Canada's Nuclear Workforce

Name: _____ Date: _____ Class: _____

Future Workforce Self-Reflection

Someday, in the not too distant future, you too will be joining the workforce. Do you think you will "help keep the lights on?"

What careers are you considering? Why?

What jobs do you know you don't want to do? Why?

What influences your choice of career?

Would you ever consider working in the nuclear industry? Why or why not?

How could an industry, such as the nuclear industry, motivate you to choose this as a career path?
